Does the district of Columbia offer tax credits for solar projects?

Federal Tax Credits Available for Solar and Energy Efficiency Projects (The District of Columbia does not offer tax incentives at this time.) For more information about solar initiatives in the District, contact the DOEE Solar Hotline at (202) 299-5271 or [email&#160;protected].

Does dcseu cover solar?

Yes. The cost of installing solar is fully covered by the DCSEU through the Solar for All Program. \*Please note: Applying for this program does not guarantee your eligibility to receive a solar system or other benefits. The Solar For All program operates on a first-come, first-served basis and fulfillment is dependent on funding availability.

What is Solarize DC?

Solarize DC is a community-based outreach initiative to bring solar power to District residents in their homes and businesses throughout the city. Many residents are interested in solar but do not know where to start.

What is sustainable DC?

The District's Sustainable DC initiative establishes goals and targets for responding to climate change. Additionally, the Clean Energy DC (CEDC) Omnibus Act of 2018, raised the percentage of solar energy carve out in the District from 5% to 10% by 2041.
