What is a custom kitchen island?

Our custom kitchen islands are a perfect solution for making those big changes without having to make expensive modifications that effect the footprint of your kitchen. Kitchen renovations and make-overs are often easier to accomplish with a custom island compared to a "stock" island.

What are custom features in kitchen island cabinets?

Custom features in kitchen island cabinets represent the ultimate expression of personalized design,transforming standard storage into bespoke solutions that reflect individual lifestyles,hobbies,and preferences.

Can Bull restoration build a custom kitchen island?

Call Bull Restoration today for a free quote on designing and building your custom kitchen island! Bull Restoration builds custom kitchen islands to any size or finish. We work with you to design exactly what you want in cabinet refinishing or designing your gourmet kitchen island.

How do I maintain kitchen island cabinets?

Maintaining kitchen island cabinets requires understanding the specific challenges that central kitchen placement creates, from increased exposure to cooking vapors and spills to higher frequency of use compared to perimeter cabinetry.

Choose from solid wood kitchen islands with cabinets, drawers, seating, and built-in features to match your needs. Every piece is custom-built and made in the USA.
