What is an IP54 cabinet?

Prism's IP cabinet range provides ingress protection to an IP54 rating and can be deployed in areas with high dust and moisture content. All Prism IP54 enclosures are sealed or welded in construction and fitted internally with compression gaskets, providing secure apertures and...

What is an IP54 enclosure?

IP54 enclosures offer partial dust protection and resistance to water splashes--ideal for light indoor or semi-outdoor use. They're suitable for factories, garages, telecom equipment, smart devices, and public infrastructure. Materials vary from plastic to stainless steel, and can be wall-mounted, floor-standing, or pole-mounted.

Are KDMFAB IP54 enclosures suitable for outdoor equipment?

In addition, our IP54 enclosures are dust and splash proof, making them suitable for a wide range of outdoor equipment. KDMFAB IP54 enclosures are suitable for a wide range of applications.

Are IP54 enclosures waterproof?

IP54 enclosures can handle water splashes from any direction, like light rain or cleaning spray. Just keep in mind--they are not waterproof, so they shouldn't be used in heavy rain or underwater. They're built to be tough. IP54 enclosures can handle bumps or knocks, which makes them a good choice for factories or busy work areas.
