In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not). This is about ...

Energy storage technology is reshaping global grids, making renewables reliable, flexible, and vital for tomorrow's clean energy landscape.

Experience the power of Goal Zero by improving your lifestyle with our portable power stations, solar generators, solar panels, power banks, and ...

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...

This provides a strategy to help identify overlap between off-grid energy service needs and storage technology capabilities. The relative costs of energy storage and how this can depend ...

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"? Thanks in ...

BLUETTI EP500Pro, a 3,000W/5,100Wh off-grid monster, is sure to give you comfort knowing when the power goes out.

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is ...

Portable power stations are handy for backup power during outages, off-grid electricity for an RV, or simply charging your laptop and ...

Schematics of a hybrid system A stand-alone power system (SAPS or SPS), also known as remote area power supply (RAPS), is an off-the-grid electricity system for locations that are not ...

The goal of the DOE Energy Storage Program is to develop advanced energy storage technologies, systems and power conversion systems in collaboration with industry, academia, ...

Mobile battery energy storage systems offer an alternative to diesel generators for temporary off-grid power.

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal ...

The BoxPower MiniBox is a pre-engineered solar power station, prefabricated inside a 4' x 8' palletized enclosure. All energy systems are ...
