Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"? Thanks in ...

Whether you need a rugged outdoor enclosure for remote sites or a climate-controlled shelter for sensitive equipment, we have the expertise and products to meet your requirements.
