Do you carry IP55 enclosures?

We carry IP55 enclosures that demonstrate almost complete protection from particles and a good level of protection against water. All of our enclosures rigidly adhere to the guidelines, so you can count on outstanding and cost-effective enclosures. Refer to the chart below for the IP55 standard protection specifications and ratings:

Who makes NEMA rated IP55 enclosures?

Nema Enclosures manufactures quality custom and standard NEMA-rated IP55 enclosures. Contact us today to learn how we can expedite a custom enclosure and produce cost-effective standard NEMA-rated enclosures to protect your equipment. Questions?

How long do oil & gas shelters last?

They are built to withstand severe weather, extreme temperatures, and corrosive elements found throughout the oil and gas industry. Our shelters will be in service well past their 25 year warranty while providing dependable protection you can trust.

What does the second digit mean in an IP55 enclosure?

The second digit indicates the extent of protection against water. We carry IP55 enclosures that demonstrate almost complete protection from particles and a good level of protection against water. All of our enclosures rigidly adhere to the guidelines, so you can count on outstanding and cost-effective enclosures.

Cherry Ula? Oct 8, 2025?? ? 3-Phase Oil-Filled Load-Break Switch (arc-chamber)-- 11/22/33 kV, 630 A, 25 kA, IEC 62271-103, outdoor. Gas-free sealed oil chambers, polymer/porcelain ...
