How can the Vatican reduce energy consumption & paper use?

Energy-efficiency measures, such as installing LED lighting in St Peter's Basilica and transitioning to digital document management, have been implemented to reduce energy consumption and paper use. These efforts reflect the Vatican's commitment to the vision of Pope Francis's encyclical *Laudato si'* and the Apostolic Exhortation *Laudate Deum*.

How does Vatican City make money?

They feature some of the world's most famous paintings and sculptures. The economy of Vatican City is supported financially by donations from Catholic believers, by the sale of postage stamps and souvenirs, fees for admission to museums, and sales of publications. Vatican City has no taxes, and items are duty-free.
